From his death in 1761 through the American Civil War, Samuel Davies was a recognized name among American Presbyterians, yet for more than a century he has remained far more obscure in discussions of American religion. During the mid-Eighteenth Century, New Side Presbyterian evangelist and preacher Samuel Davies was a pioneer for religious toleration in Colonial America, yet to date no single work has examined Davies' vision for the interior life. Theology and Spirituality in the Works of Samuel Davies is the first monograph-length analysis of Davies' conception of Christian spirituality. After a decade of pastoral ministry to congregations in Virginia, Davies followed eminent American theologian Jonathan Edwards as the fourth President of the College of New Jersey (Princeton University), a tenure cut short by his early death at age thirty-seven. J.C. Harrod examines various aspects of Davies' own personal piety as well as the place that Scripture, conversion, holiness, and the means of grace played in his formulation of Christian piety.

Patterned after the annual feasts of the Tabernacle, the annual 70 days of fasting and prayer program is an annual spiritual sacrifice that cannot but yield power and breakthroughs given the covenant that backs it up. "We give all the glory to the Lord for what He has been doing with our annual Seventy days prayer and fasting programme. The Lord has used the programme to: Ignite the fire of revival in thousands of lives, put stubborn pursuers to flight, produce prayer eagles, open chapters of prosperity for many, confuse satanic dribblers and put the enemies' gear in reverse. Prayer is of great value in turbulent and non-turbulent situations. Prayer is a necessity not an option." "Howbeit this kind goeth not out but by PRAYER AND FASTING" (Matt 17:21).

Television host, widely traveled speaker, and communicator Marilyn Hickey reveals the surprising power and rich benefits of fasting in her 21-day program.
