You can do both but if you're not ready to see your success, you won't realize that you are successful and you won't be as happy as you could be. Rao only indirectly writes about increasing the material and social markers of success, i.e. how wealthy you are or how many friends you have. He stresses that we need to give less importance to these markers and to appreciate what we already have. (And when adversity strikes, we should appreciate that it wasn't worse.)

Your actions validate whether you ' re truly ready to succeed: Think big. Play big instead of go small. Too many talented entrepreneurs hold back. As a result, they fail to ever reach their full potential. Know affluence. An abundance mindset believes there is more than enough for everyone. They view other entrepreneurs as alliances, not competitors.
