artists in any other genre. It's unique. There are cultural differences, industry differences and global differences you need to be aware of if you are to be successful. I know, because I've done it! Learn the business basics, as well as the unique success attitude and strategies you need in order to master the game! (220 pages; 8 x 10; ISBN: 978-0974531335) Read more at [www.hiphopentrepreneur.com](http://www.hiphopentrepreneur.com)

Allen prepares you for the realities of successfully directing the careers of talented performers in the high-risk, high-reward music business. You will learn to prepare yourself for a career in artist management - and then learn the tools to coach, lead, organize time, manage finances, market an artist, and carve out a successful career path for both yourself and your clients. The book features profiles of artist managers, an exclusive and detailed template for an artist career plan, and samples of major contract sections for artist management and record deals. Updated information including a directory of artist management companies is available at the book's companion website. A peer reviewer for *Artist Management for the Music Business* proclaimed ".this is going to be an excellent text. It contains many unique insights and lots of valuable information. This is essential reading for managers, students, and artists in the music business.

At a time when digitalization is making it easier to become a DJ, but due to the equally enormous increase in the number of competitors, it is important to follow a precise plan when dealing with yourself as a DJ who wants to become self-employed business owner. This book is not a textbook that teaches the reader the various techniques of DJing, such as scratching or beat mixing, it is to be understood as an aid to those who have already mastered basic skills. In two large

# File Type PDF Artist Management Manual Free

sections, several chapters explain in detail how to behaves as a DJ in various cases at a party and how to keep the customers satisfied. On the other hand also business and financial law aspects are being highlighted. From founding your own company to the big question of how you can gradually increase your fees, the most important facts are highlighted here. This book is aimed at both DJs from clubs as well as to DJs who attend private parties such as weddings, birthdays or company events.
