"The author of the crazy-cool Beowulf -inspired novel *The Mere Wife* tackles the Old English epic poem with a fierce new feminist translation that radically recontextualizes the tale."? Barbara VanDenburgh, USA Today "Of the four translations I've read, Headley's is the most readable and engaging.

Beowulf: A New Translation: Headley, Maria Dahvana ...

The translation is a reimagining of what Beowulf means, consciously locating its possibilities in our recent political history as Americans and in the last thousand years of violence.

Maria Dahvana Headley on Beowulf: a New Translation.

Maria Dahvana Headley 's opening salvo in her translation of *Beowulf: A New Translation* is the word "Bro!" This sets the stage for an irreverent, rollicking, electrifying, and astonishing translation unlike any we have seen before. Headley has studied the poem extensively.

Book Review: Beowulf: A New Translation, by Maria Dahvana ...
This new translation of the ancient epic poem drags it kicking and screaming into the 21st century, giving us tales of blood, guts and glory told as if over beers in a loud sports bar.

Review: 'Beowulf: A New Translation,' By Maria Dahvana ...
Beowulf: A New Translation. By Maria Dahvana Headley. New Price: \$10.34. Used Price: \$11.35. Mentioned in: Year in Reading. A Year in Reading: Ruth Franklin. Ruth Franklin - 12.15.2020. Until March, my reading this year hummed along as usual: books for the seminar on biography I taught, background reading for assignments, the occasional book ...

The Millions: Beowulf: A New Translation by Maria Dahvana ...
Beowulf Really Was That Bro Are legendary warriors really a bunch of stupid jocks? A new translation of the epic takes its cues from 'Road House' — proving Beowulf was literature's original guy's guy As long as we have the text, we'll never stop translating Beowulf.

Bro! 'Beowulf: A New Translation' by Maria Dahvana Headley ...
The Old English in its entirety is first, followed by the translation...so those worrying that the original English is in the way, it is not (it is not side-by-side bilingual). His modern translation is unparalleled, so it is worth purchasing this version.

the binary narrative of monsters and heroes into a tale in which the two categories often entwine, justice is rarely served, and dragons live among us. A man seeks to prove himself as a hero. A monster seeks silence in his territory. A warrior seeks to avenge her murdered son. A dragon ends it all. The familiar elements of the epic poem are seen with a novelist's eye toward gender, genre, and history—Beowulf has always been a tale of entitlement and encroachment, powerful men seeking to become more powerful, and one woman seeking justice for her child, but this version brings new context to an old story. While crafting her contemporary adaptation of Beowulf, Headley unearthed significant shifts lost over centuries of translation.

acclaimed novel *The Mere Wife*. A man seeks to prove himself as a hero. A monster seeks silence in his territory. A warrior seeks to avenge her murdered son. A dragon ends it all. This radical new verse translation of *Beowulf* by Maria Dahvana Headley brings to light elements that have never before been translated into English. The familiar elements of the epic poem are seen with a novelist's eye toward gender, genre, and history ? it has always been a tale of entitlement and encroachment, powerful men seeking to become more powerful, and one woman seeking justice for her child, but this version brings new context to an old story. While crafting her contemporary adaptation of *Beowulf*, Headley unearthed significant shifts lost over centuries, transforming the binary narrative of monsters and heroes into a thrilling tale in which the two categories often entwine.

This new translation of 'Beowulf' captures the rhythm and movement of the original Old English poem while employing a fluid Modern English style and relatively simple vocabulary. The resulting text provides an approximation of the acoustic features -- and power -- of the original and is suitable for reading either silently or aloud. This edition also includes a substantial Introduction and translations of three shorter Old English poems that shed light on 'Beowulf'.

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic *Beowulf*, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously

Online Library Beowulf A New Translation

along Herot Hall's periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn't want Gren, didn't plan Gren, and doesn't know how she got Gren, but when she returned from war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana's and Willa's worlds collide.

Dick Ringler's deceptively simple translation captures the rhythm, movement, and power of the original Old English poem while employing a fluid modern English style and a relatively spare vocabulary. His generous Introduction, a lively yet masterly guide to the work, along with his translations of three shorter Old English poems elucidate a major English text almost as well-known for its subtlety and intricacy as it is for its monsters and heroes.

Composed towards the end of the first millennium, the Anglo-Saxon poem Beowulf is one of the great Northern epics and a classic of European literature. In his new translation, Seamus Heaney has produced a work which is both true, line by line, to the original poem, and an expression, in its language and music, of something fundamental to his own creative gift. The poem is about encountering the monstrous, defeating it, and then having to live on, physically and psychically exposed, in that exhausted aftermath. It is not hard to draw parallels between this story and the history of the twentieth century, nor can Heaney's Beowulf fail to be read partly in the light of his Northern Irish upbringing. But it also transcends such considerations, telling us psychological and

Online Library Beowulf A New Translation

spiritual truths that are permanent and liberating.

Presents the prose translation of the Old English epic that Tolkien created as a young man, along with selections from lectures on the poem he gave later in life and a story and poetry he wrote in the style of folklore on the poem's themes.

J. R. R. Tolkien, the author of LORD OF THE RINGS and THE HOBBIT, in his famous 1936 lecture, BEOWULF: THE MONSTERS AND THE CRITICS, said, ""BEOWULF is among my most valued sources. It is a work of genius, rare and surprising in the period, and it is worth studying. In BEOWULF we have an historical story about the pagan past. BEOWULF is not an actual picture of historic Denmark or Geatland or Sweden about A.D. 500. But it is, on a general view, a self-consistent picture, a construction bearing clearly the marks of design and thought. BEOWULF is, indeed, the most successful Old English heroic elegy.""

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.
