master in order to develop a sound business strategy. Ideal for undergraduate managerial economics and business strategy courses, Economics of Strategy offers a careful yet accessible translation of advanced economic concepts to practical problems facing business managers.

Economics of Strategy: Amazon.co.uk: Besanko, David ...

The sixth edition of Besanko's Economics of Strategy uses economic theory to bring new insights to popular topics in modern strategy. By presenting basic concepts of economic theory with ideas in modern strategy literature, this book provides readers with a logical framework for understanding the strategic activities within a firm.

Economics of Strategy: 9781118273630: Economics Books ...

The book is dense in content about strategy and economics, but I found it a little bit complicated and dry with no concrete numerical exercises. Usually, strategy and economics readings are much more engaging and mind-provoking. I had to buy it for my Business Processes course at business school (full time MBA program).
