Andrea A. Lunsford. 3.46 · Rating details · 91 ratings · 4 reviews. Everyone's an Author focuses on writing as it really is today--with words, images, and sounds, in print and online--and encourages students to see the connections between their everyday writing and academic writing. It covers the genres college students need to learn to write--and teaches them to do so across media.

Built on the keystones of rhetoric, Everyone's an Author provides a strong foundation for authoring in the digital age: in college essays, but also on Twitter; in print, but also online; with words, but also with sound, video, and images. It shows students that the rhetorical skills they already use in social media, in their home and religious communities, at work and in other nonacademic contexts are the same ones they'll need to succeed in college.
