The in-universe book written by Ghostbusters before they were Ghostbusting, *Ghosts from Our Past* tries for levity and fails at its one purpose: adding anything of value to the Ghostbusters universe. The premise is this: Erin Gilbert and Abby L. Yates wrote a mountain of a book on ghost-hunting while undergrads and are now republishing it in light of their recent paranormal success.

we order our lives, few of us are completely immune to the suggestion of the uncanny and the fear of the dark. What explains sightings of ghosts? Why do they fascinate us? What exactly do those who have been haunted see? What did they believe? And what proof is there? Taking us through the key hauntings that have obsessed the world, from the true events that inspired Henry James's classic *The Turn of the Screw* right up to the present day, Roger Clarke unfolds a story of class conflict, charlatans, and true believers. The cast list includes royalty and prime ministers, Samuel Johnson, John Wesley, Harry Houdini, and Adolf Hitler. The chapters cover everything from religious beliefs to modern developments in neuroscience, the medicine of ghosts, and the technology of ghosthunting. There are haunted WWI submarines, houses so blighted by phantoms they are demolished, a seventeenth-century Ghost Hunter General, and the emergence of the Victorian flash mob, where hundreds would stand outside rumored sites all night waiting to catch sight of a dead face at a window. Written as grippingly as the best ghost fiction, *A Natural History of Ghosts* takes us on an unforgettable hunt through the most haunted places of the last five hundred years and our longing to believe.

Stanford Solomon has a shocking, thirty-year-old secret. And it's about to change the lives of everyone around him. Stanford Solomon is actually Abel Paisley, a man who faked his own death and stole the identity of his best friend. And now, nearing the end of his life, Stanford is about to meet his firstborn daughter, Irene Paisley, a home health aide who has unwittingly shown up for her first day of work to tend to the father she thought was dead. *These Ghosts Are Family* revolves around the consequences of Abel's decision and tells the story of the Paisley family from colonial Jamaica to present day Harlem. There is Vera, whose widowhood forced her into the role of single mother. There are two daughters and a granddaughter who have never known they are related. And there are others, like the house boy who loved Vera, whose lives might have taken different courses if not for Abel Paisley's actions. *These Ghosts Are Family* explores the ways each character wrestles with their ghosts and struggles to forge independent identities outside of the family and their trauma. The result is an engrossing portrait of a family and individuals caught in the sweep of history, slavery, migration, and the more personal dramas of infidelity, lost love, and regret. This electric and luminous family saga announces the arrival of a new American talent.

The father of "Ghostbusters" star Dan Aykroyd shares the blockbuster movie's real-life inspiration: his own family's colorful history and experiences with the paranormal. color photo insert.

Ghosts and spirits populate the world around us. We just need to be sensitive or psychic enough to hear and see them. In this book, author Paul Roland examines a fascinating assortment of recorded sightings from as far back in history as Roman times. This serious look at ghosts presents them not as chain-rattling spooks or clouds of cold, swirling mist, but as entities with which we share a greater reality. A comprehensive exploration of the realm of the supernatural, from ghost ships and poltergeists to out-of-body experiences and the idea of spirits as the manifestation of people still living, *The Complete Book of Ghosts* will challenge your beliefs and preconceptions as never before.

Follow the formation of the Ghostbusters team in this Level 3 Ready-to-Read based on the brand-new Ghostbusters movie! Ghostbusters—starring Melissa McCarthy, Kristen Wiig, Kate McKinnon, Leslie Jones, and Chris Hemsworth—glides into theaters on July 15, 2016 with a hilarious paranormal adventure! Abby and Erin have been friends for years. From their first high school science fair project, "The Durable but not Impenetrable Barrier," to their first book, *Ghosts from Our Past: Both Literally and Figuratively: The Study of the Paranormal*, and now as part of a new Ghostbusters team, they have always worked well together. But with new teammates—Holtzmann and Patty—in the mix, can they work together to form a whole new dream team? They'll discover that, together, there's no ghost these buddies can't bust. In the spring of 1945, on the eve of the Allied victory in war torn Europe, an unmarked German transport plane crash lands deep in the rugged Swiss Alps, and with it is buried one of the greatest single collections of World War II stolen artwork never recovered. Lying undisturbed in its rocky tomb for over half a century, a family member's deathbed disclosure and war memorabilia hold the key to the existence and dormant location of this incredible treasure. American advertising executive Matt Ferguson, upon his discovery and pursuit of his great uncle's mysterious legacy, enlists the help of a beautiful art expert, Courtney Lewis, and as their quest is unwittingly exposed, immediately become embroiled in a local murder investigation that draws them together in an effort to save not only a piece of history, but ultimately their lives. Striving to stay ahead of anonymous pursuers, they are stalked by a ruthless South American industrialist bent on forcibly seizing the priceless collection for himself, while simultaneously being hunted by a murderous band of ODESSA henchmen representing the past and present generations of the German Nazi party, seeking an additional relic from the crash more sinister than a mere cache of stolen art. With the dogged persistence of a city homicide detective determined to solve a triple murder, and his ability to knit together a global police effort, the chaotic and thrilling race to recover the find of a lifetime becomes a fast-paced, action packed adventure that weaves together an eclectic cast of characters in an international web of intrigue, murder, mystery and an unexpected conclusion that will keep readers riveted until the last page.
