The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A simple errand for a client lands Megan Cassidy into more trouble than she could have ever thought possible...before she knows what has happened, she has become the witness to a murder and a target for bullets and speeding trucks. Who knew there could be so much going on in this little southern town, where your neighbors watched your back and "Mom & Pop" businesses populated Main Street? FBI Consultant , Aiden Tory, is brought in by the family to solve the murder and Megan joins forces with him to figure out just what has been going on along the Florida shores of this tropical paradise. Could there be the hint of romance in the tropic air? With Megan's beagle, Barney, sniffing out clues, it doesn't take long before they are following the tropic paths at Neptunes Trident into danger and an old case of revenge.

Welcome to Citrus Beach! In this Florida town, the tropics aren ' t just about beaches and fun times. No, there ' s plenty of murder and mystery to be found. Megan and her beagle, Barney, seem to find themselves in the middle of the turmoil and work together to find answers. Meet Megan ' s family and friends as they help her solve the crime. Follow along and see if there might be romance in the sultry southern air, too. In these first three books of the series, you will find out about life in the small beachside town, from the town Matriarch to the noisy reporter, to the owner of the local diner. From flying bullets, speeding trucks, hurricanes, amnesia, drug smuggling and vendettas; Megan ' s life certainly can ' t be called dull. So, pull up a chair and join in the fun, there ' s a cozy mystery to be solved.
