Internationalizing the History of American Art: Views...

Internationalizing (or globalizing) U.S. history is an umbrella term for several methods of broadening the view of U.S. history to include the world beyond its borders. It includes, but is not limited to, use of national comparisons, studying transnational phenomena, and considering larger regional and global contexts for local and national events.

Internationalizing History – Teachinghistory.org

internationalizing the history of american Internationalizing (or globalizing) U.S. history is an umbrella term for several methods of broadening the view of U.S. history to include the world beyond its borders. It includes, but is not limited to, use of national comparisons, studying

Internationalizing The History Of American Art Paperback...

" Internationalizing " the history of American art is not the same thing as an " international " American art history. The former describes an aspiration and a process, while the latter refers to a condition, more precisely the condition in which not only artists and art historians but art and the institutions that house and care for it now exist.
