Guide To Investing in Gold & Silver: Protect Your ...

Maloney's guide to investing in gold and silver begins with an historical overview of the battle between money and currency - the battle fought by consumers who buy groceries, fill their gas tanks, and purchase goods versus the greed of those in power. Maloney includes a detailed explanation about why the battle is always going to be a loser for consumers, describing how governments, by their nature, attempt to shift wealth away from the people and to the power base by
