'Michael Harding's 'Staring At Lakes' is a remarkable book - funny, sad, poetic, full of insight and honesty, a warm-hearted book with a deep note of suffering in it - the suffering of depression. Yet Harding's account, full of lust, humour and love, is itself testimony to the possibility of joy even in the midst of pain; for this is a book about joy also.'

Staring At Lakes is a staggeringly beautiful and honest account of his depression and illness, and his struggle with the sense of darkness which pervaded his life despite his faith - entering the priesthood when he was twenty-four, and then seventeen years practising Buddhism - his marriage, fatherhood and his career as a writer. The memoir moves seamlessly between spiritual opposites, at ...
