Strategic Marketing Management MSc - January 2021 | Aston ...

7th June 2019. Written by Anisa Choudhary. Education & Careers. Strategic brand management is primarily utilised by companies to help their brands and products get global recognition. The term “strategic” signifies that the process deals with long-term plans and assets of a brand. This includes integrative and sustainable policies that aid a company to create, develop and manage its brand.

What is strategic brand management?

Strategic management is a broader term than strategy and is a process that includes top management’s analysis of the environment in which the organization operates prior to formulating a strategy, as well as the plan for implementation and control of the strategy. The difference
