MacBride

The 45% Hangover
is a fun novella
featuring the
dynamic duo,
Logan and Steel.
The story
showcases
everything I
love about their
relationship:
their banter,

Online Library

The 45

the way they
snipe at each
other, and the
great unspoken
affection they
feel for one
another. On top
of that, the
story itself is
pretty good,
too. It fits in
nicely with the
overall series.
