I would suggest reading them in order if possible. As there is a continuing back story as we watch or hero evolve. The books can be read in any order as each book is self contained but leave you wanting to find out what will happen next in the life of John Milton. John Milton reminds me a lot of Jack Reacher in the Lee Child series of books.

As unpleasant secrets leak out, and the body count rises, one thing is for sure. Milton might just be the right guy in the wrong place at the wrong time. The Driver is a taut, nail-biting adventure which once again stars Mark Dawson's irresistible hero, the maverick ex-MI6 assassin John Milton. Mark Dawson has worked as a DJ and lawyer and currently works in the London film industry.
