To the uninitiated, a modern-day mikvah looks like a miniature swimming pool. In a religion rich with detail, beauty and ornamentation—against the backdrop of the ancient Temple or even contemporary synagogues—the mikvah is surprisingly nondescript, a humble structure.. Its ordinary appearance, however, belies its primary place in Jewish life and law.

Christian Fruit--Jewish Root is an in-depth, scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity. This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and theological fact. By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles, this book uncovers a veritable treasure of Hebraic truth. For every authentic Christian fruit, there is a Jewish root! This truth is demonstrated across a wide spectrum of theological truth, including: Scripture, Messiah, Salvation, Faith, Baptism, Gospel, Grace, and Discipleship. Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths

and practices that it hold dear. As you read this challenging, informative, and inspirational book, you will be amazed at just how Jewish Christianity, the "other Jewish religion," actually is.

Since the 'Christian Church' has abandoned its' Hebrew Roots, many false teachings are in our mainstream churches today and they are destroying the faith given to us by Jesus and carried on by His apostles. Over the centuries precious Biblical truths have been replaced by non-biblical church tradition, doctrine and creeds. Jesus warned us over and over again about deception, but deception were so well disguised in Biblical garb that seemingly no one saw it coming, until it was entrenched in Church Doctrine. And no one expected deception coming from the Church itself. You will be amazed, shocked and astonished as I was, to see

Those in the church and ministry are familiar with the Great Commission – the call to go forth and make disciples. However, for many, it isn't that easy in a world increasingly influenced by doubters and distractions. Many Christian leaders may talk about it, but few really do it. Making disciples isn't a complicated program, but a simple plan that comes only from Jesus. Now a diverse group of pastors, representing urban and rural communities, secular and Christian areas, as well as diverse multicultural backgrounds, and all known for

Discover: How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole-life understanding of worship When disciple-making gets confused with church growth efforts These and countless other insights will help guide you in a faithful, deliberate effort to fulfill the Great Commission – no matter where you live or what communities in which you minister. Included in the book are: The sermon texts and their outline formats. 12 study guides, one for each sermon, that can be used in small group or one-on-one settings in the week following the preaching of the sermon. A final appendix providing a self-evaluation tool that helps each person being disciplined to evaluate the progress they are making in their walk with Christ.

The Secret Place is one of the most in-depth, comprehensive studies ever written about the tabernacle. Lynn Liebengood has spent many years of her life studying, researching, and teaching about the tabernacle. In this book she gives the most intricate details of her life of devotion and study to this subject. All students from seminary to the home study group will be enriched by the study of this book. I highly recommend The Secret Place for your library. Dr. Glenn Mollette, president of Newburgh Theological Seminary Of all the teachers on the tabernacle, Lynn Liebengood is top of the list. She has a heart for the Torah and her knowledge is amazing. She has taught what she has put in this book at our church, and I have had the privilege to be in her class and gained so much from her teaching. I recommend this book with all my heart. Ken Slater,

Since time immemorial, women have been the most consistently and universally abused people group on Planet Earth, as men in virtually every human culture have systematically, unrelentingly, and often violently dominated women .

Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era. God and Women brings serious biblical and historical scholarship to bear on the role of women in family, society, and

church in an analysis of God's original intentions for women and for men at the moment when he created humanity.

Whether you are a woman or a man, this book and the other volumes in this series will literally set you free, challenging you to think and to act on divine truths from the Hebraic foundations of your faith. You will clearly see God's original design and intent for women, and you will start tearing down prison walls that have deprived half of God's children of the freedom to pursue his gifts and calling in the family, in the society, and especially in the community of faith.

No religious text has influenced the world more than has the New Testament's Sermon on the Mount, and yet this crucial text still begs to be more clearly understood. Why was it written? What unifying theme or purpose holds it all together? Should it be called a sermon? Or is it some other kind of composition? How would its earliest listeners have heard its encoded allusions and systematic program? This book offers new insights into the Sermon on the Mount by seeing it in the shadow of the all-pervasive Temple in Jerusalem, which dominated the religious landscape of the world of Jesus and his earliest disciples.
