TIME magazine released its latest cover Thursday, replacing the word "TIME" with the word "VOTE," urging Americans to vote in 12 days. The U.S. media pointed out that this is the first time TIME magazine has changed its name since it was founded nearly 100 years ago. The cover of the latest issue shows a woman wearing a scarf over her face that depicts a ballot box with the word "vote."

in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to \*

# Download Free The One Thing That Changed Everything

cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Counselor and popular radio host Dr. Carlson invites readers to begin moving toward change one daily, intentional step at a time. He teaches readers how to figure out which positive change can make the biggest payoff in their lives.

# Download Free The One Thing That Changed Everything

\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will learn why building trust is key to improving human relationships and how to use it to your advantage. You will also learn : that trust, time and money are intimately linked; how to build trust; how to determine if a person deserves your trust; how to try to regain a betrayed trust; how companies and organizations too often miss out. Only one thing is fundamentally essential to society. It binds people together professionally and lovingly, makes trade work, and enables governments to govern countries. That one thing is trust. Contrary to popular belief, it is

# Download Free The One Thing That Changed Everything

not only to be found in the strictly private sphere, it can be consciously developed as an individual or as a group. Much more: it must be developed, because without trust, everything collapses. With it, everything becomes easier. \*Buy now the summary of this book for the modest price of a cup of coffee!

Why is it so hard to make lasting changes in our companies, in our communities, and in our own lives? The primary obstacle is a conflict that's built into our brains, say Chip and Dan Heath, authors of the critically acclaimed bestseller *Made to Stick*. Psychologists have discovered that our minds are ruled by two different systems - the rational mind and

# Download Free The One Thing That Changed Everything

the emotional mind—that compete for control. The rational mind wants a great beach body; the emotional mind wants that Oreo cookie. The rational mind wants to change something at work; the emotional mind loves the comfort of the existing routine. This tension can doom a change effort - but if it is overcome, change can come quickly. In *Switch*, the Heaths show how everyday people - employees and managers, parents and nurses - have united both minds and, as a result, achieved dramatic results: □ The lowly medical interns who managed to defeat an entrenched, decades-old medical practice that was endangering patients □ The home-organizing guru who developed a simple technique for overcoming the

# Download Free The One Thing That Changed Everything

dread of housekeeping □ The manager who transformed a lackadaisical customer-support team into service zealots by removing a standard tool of customer service In a compelling, story-driven narrative, the Heaths bring together decades of counterintuitive research in psychology, sociology, and other fields to shed new light on how we can effect transformative change. Switch shows that successful changes follow a pattern, a pattern you can use to make the changes that matter to you, whether your interest is in changing the world or changing your waistline.

From Stephen R. Covey's eldest son come a

# Download Free The One Thing That Changed Everything

revolutionary book that will guide business leaders, public figures and their organizations towards unprecedented productivity and satisfaction. Trust, says Stephen M. R. Covey, is the very basis of the 21st century's global economy, but its power is generally overlooked and misunderstood. Covey shows you how to inspire immediate trust in everyone you encounter - colleagues, constituents, the marketplace - allowing you to forego the time-killing and energy-draining check and balance bureaucracies that are so often relied upon in lieu of actual trust.

“If you do one thing different, read this book! It is filled with practical, creative, effective, down-to-earth

anyone else you have a difference in opinion with? In this newly updated edition of *Do One Thing Different*, Bill O'Hanlon will arm you with his ten easy Solution Keys so that you can move quickly from "stuck" to "smooth sailing" in all aspects of your life. Humorous, direct, and—most important of all—effective, these keys will help you change how you view and "do" your problems—from difficult relationships to enhancing sexuality and resolving conflicts of all kinds. The next time you have a problem, try one of these Solution Keys: Break Problem Patterns: Change any one of what you usually do in the problem situation by doing one thing different! Example: If you usually get angry and defensive, sit quietly and listen. Find and Use

# Download Free The One Thing That Changed Everything

Solution Patterns: Import solutions from other situations where you felt competent. Examples: What do you know on the golf course that you forget when you get behind the wheel of your car? What do you say to resolve a problem with an angry customer that you don't say to your angry partner? Shift Your Attention: Focus on what you would like to have happen rather than on what is happening. Grounded in therapeutic practice, Do One Thing Different will put you back in control of your emotions and your life.
