Featuring an introduction by Newbery and Coretta Scott King Award winning poet and writer Kwame Alexander. The book also includes bonus activities: Games Quizzes Puzzles Vocabulary Reading Comprehension and Crafts!

It is more than a century since the ascetic, gaunt and enigmatic detective, Sherlock Holmes, made his first appearance in *A Study in Scarlet*. From 1891, beginning with *The Adventures of Sherlock Holmes*, the now legendary and pioneering *Strand Magazine* began serialising Arthur Conan Doyle's matchless tales of detection, featuring the incomparable sleuth patiently assisted by his doggedly loyal and lovably pedantic friend and companion, Dr Watson. The stories are illustrated by the remarkable Sydney Paget from whom our images of Sherlock Holmes and his world derive and who first equipped Holmes with his famous deerstalker hat. The literary cult of Sherlock Holmes shows no sign of fading with time as each new generation comes to love and revere the penetrating mind and ruthless logic which were the undoing of so many Victorian master criminals.

2018 Edgar Award Nominee From Michael Sims, the acclaimed author of *The Story of Charlotte's Web*, the rich, true tale tracing the young Arthur Conan Doyle's creation of Sherlock Holmes and the modern detective story. As a young medical student, Arthur Conan Doyle studied in Edinburgh under the vigilant eye of a diagnostic genius, Dr. Joseph Bell. Doyle often observed Bell identifying a patient's occupation, hometown, and ailments from the smallest details of dress, gait, and speech. Although Doyle was training to be a surgeon, he was meanwhile cultivating essential knowledge that would feed his literary dreams and help him develop the most iconic detective in fiction. Michael Sims traces the circuitous development of Conan Doyle as the father of the modern mystery, from his early days in Edinburgh surrounded by poverty and violence, through his escape to University (where he gained terrifying firsthand knowledge of poisons), leading to his own medical practice in 1882. Five hardworking years later—after Doyle's only modest success in both medicine and literature—*Sherlock Holmes* emerged in *A Study in Scarlet*. Sims deftly shows Holmes to be a product of Doyle's varied adventures in his personal and professional life, as well as built out of the traditions of Edgar Allan Poe, Émile Gaboriau, Wilkie Collins, and Charles Dickens—not

Read PDF The Sherlock Holmes Mysteries Arthur Conan Doyle

just a skillful translator of clues, but a veritable superhero of the mind in the tradition of Doyle's esteemed teacher. Filled with details that will surprise even the most knowledgeable Sherlockian, Arthur and Sherlock is a literary genesis story for detective fans everywhere.

Presents a collection of adventure classics, including "The Red-Headed League," "A Scandal in Bohemia," and "The Final Problem."
